## St. Antony of Padua

St. Antony of Padua the role model and patron saint of our College was born in Lisbon, Portugal in the year 1195 on 15th of August. St. Antony was the son of a Knight and of royal lineage. His mother was a devout lady and it is she who inculcated in him the feelings of piety and devotion, charity and humility. For a young lad, who mainly spent his time studying scriptures and doing menial tasks. He astounded every one with his ability to preach.

He was blessed with gift of tongues, the power to cure the sick, restore broken limbs, lull the storms, raise the dead to life and the charisma of finding the lost things. As a preacher, St. Antony used to preach at a place called Padua in Italy and hence came to be known as 'St. Antony of Padua'. Under his mantle, we have named our educational institution as Padua College of Commerce and Management.

1. Parents play a decisive role in the development of students in their formative years. Therefore the college expects the whole-hearted co-operation from the parents.

2. Parents are requested to co-operate with the college authorities by enforcing regularity and discipline to prepare their lessons daily and to take an active and salutary interest in the activities of the college.

3. Parents are particularly requested to sign Leave Notes, Messages, Progress Reports, Weekly Reports or any other similar documents when so requested. Failure to do this may put their children to great inconvenience and render them liable to be sent home. Repeated coming late or forgetting to bring relevant books may be punished in the same way.

4. Parents are also invited to meet the Principal and other members of the staff personally especially when there is unsatisfactory behavior, shortage of attendance and poor progress in studies.

5. Parents are requested not to give extra money to their children other than for bus travel and meals. If any payment is made to the college a receipt should be demanded.

6. Private tuitions are forbidden as per Government rules.

7. Parents are requested to meet the Class Coordinator on the appointed days to enquire about the progress of their wards.

#### **Mangalore University Examination Rules and Regulation :**

#### **Credit based semester scheme for bachelor degree programmes (Applicable to students joining the degree course in 2006)**

The University Grants Commission, New Delhi in its tenth plan guidelines directed the Universities in the Country to implement the Credit Based Semester Scheme in both undergraduate and postgraduate programmes. The Credit Based Semester Scheme makes the product of a University at par with the global practices in terms of academic standards and evaluation strategies. In the emerging scenario of Internationalization of Indian Higher Education, it is imperative that the Universities in India should follow this system so that the mobility of their products both within and across the geographical jurisdiction becomes possible. Hence the Mangalore University thought it fit to introduce the credit based semester scheme in its under-graduate degree programmes effective from the academic year 2006-07

#### **The Salient Features of the Credit Based Semester Scheme.**

Each course shall carry certain number of credits. Credits normally represent the weightage of a course and are function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, maximum

marks, etc. In the proposed programmes, in general, 2 hours of instructions per week in a semester is assigned one credit. In terms of evaluation, one credit is equivalent to 50 marks in a semester. On these basis, a three year degree programme will have a maximum of 100 credits. The other features of the Credit Based Semester Scheme are :

- The degree programmes are structured on semester basis.
- The relative importance of subjects of study and activities are quantified in terms of credits and also their overall relative importance.
- The subjects of study include foundation courses, general studies and interdisciplinary subjects.
- The programme permits horizontal mobility in course selections.
- The students are required to take part in co-curricular and extra-curricular activities and their participation is compulsory as a part of the credit based system.
- The curricula and question papers are unitized. The results of successful candidates at the end of VI semester is classified on the basis of aggregate marks obtained in all the six semesters and the aggregate Grade point average (GPA)
 

First Class with Distinction	70% and above
First Class	Between 60% and 70%
High Second Class	Between 55% and 60%
Second Class	Between 50% and 55%
Pass Class	Between 35% and 50%

Each semester result is also declared in terms of grades. An eight point grading system which is based on the actual absolute marks scored and alpha- sign grade as described below shall be adopted.

%Marks	<35	35<50	50<55	55<60	60<70	70<80	80<90	90<100
Alpha Sign Grade	D	C	B	B+	A	A+	A++	0
Grade Point	2	3	4	5	6	7	8	9

The Semester Grade Point Average (Semester GPA) is computed by dividing the sum of the Grade Point Weights (GPW) of all the subjects of study by the maximum credits for the semester.

Total of semester credit weightages  
 i.e Semester GPA. =  $\frac{\text{Maximum credits for the programme}}{\text{Maximum credits for the programme}}$

GPW in turn is calculated as

$GPW = \text{Grade Point X Credit for a Subject}$

The aggregate GPA at the end of sixth semester is calculated as the weighted average of the semester GPA. It is obtained by dividing the total of semester credit weightages (SCW) by the maximum credits for the programme (100).

i.e. Aggregate GPA =  $\frac{\text{Sum of GPW's of all subjects}}{\text{Maximum credits for the semester}}$

The semester credit weightage in turn is calculated as

$SCW = \text{Semester GPA} \times \text{Semester Credits}$   
 (Ref. Page No. 20 for Semester Credits)

**The candidate shall be declared to have passed the UG program if he/she secures at least an aggregate GPA of 3.0 or Course alpha- Sign Grade C.**

**EXAMINATION & CARRY OVER (SEMESTER SCHEME)**

No candidate shall be declared to have passed the Semester Examination unless he / she obtains not less than 35% marks in written examination and 35% marks in the

aggregate of written examination and internal assessment put together in each of the subjects, 35% marks in practical examination (for subjects with practicals) and 35% marks in Project work & viva wherever prescribed. The internal assessment marks are based on two tests.

**Table showing semester credits for various faculties :**

Faculty	Semesterwise credits						Total credits
	17	17	15	15	18	18	
B.Com	17	17	15	15	18	18	100
B .B.A.	15	15	17	17	18	18	100
