Wear helmets with ISI mark: Police

Public urged to alert police of substandard helmet sale

SPECIAL CORRESPONDENT
UPONI

The district police have urged two-wheeler riders to mandatorily wear helmets of good quality bearing ISI or BSI mark on them.

In a press release issued here on Monday, they said it had come to their notice that many riders and pillion riders were wearing helmets of

substandard quality. This resulted in severe injuries and even deaths during accidents. These poor-quality head gear are usually purchased from vendors on road-sides.

The riders and pillion riders should buy good quality helmets with ISI and BSI marks, the police advised.

If the riders or pillion rid-

ers are found wearing poor quality helmets, legal action would be taken against them by the police.

People can pass on information regarding illegal manufacture or sale of such substandard helmets by calling 100 or 080-2526709 or they can inform the nearest police station, the release said.
