

PADUA COLLEGE OF COMMERCE AND MANAGEMENT
Nanthur Mangaluru

Improvements made based on the Institutional Feedback given by the students :

2019-2020

- In order to provide opportunity and a platform for the meritorious students especially for economically weaker section our college provides fee concession and also allows them to pay the fees in installments and also recommend various scholarships.
- Regular seminar, FDP programs conducted for a teaching staff and they are also encouraged to participate in Conferences at different levels. The college also motivates the faculty members to publish research papers and books. College hosts Administrative training programme for non teaching staff. All these measures are taken in order to keep our teaching and non teaching staff up to date with current knowledge.
- In order to make the students inculcate the habit of reading, library hour was introduced in which the students have to compulsorily spend their time in the library.
