**Improvements made based on the Seminar/Workshop/ Conference Feedback
given by the participants:**

2018-2019

- In order to improve the communication skill and vocabulary of the staff, they were asked to read more books and also to inculcate the habit of reading newspaper.
- Based on the positive feedback of the students it was recommended that, the scholarship information seminar should be organized every year.
- It was recommended to the staff in charge of the concerned program to see to it that the program was to be conducted within the allotted time and not to extend the given time period.
- It was decided to give assignment to the students who were absent on purpose for the seminar so as to make sure that they don't miss out the learning experience.
- As the students strength increased, and there was shortage of seating facility it was suggested to accommodate our auditorium with more chairs.

Improvements made based on the Padua Scintilla 2019-2020 Feedback given by the students:

- In order to maintain Punctuality in the workshop organized it was decided to give more importance to the time management.
- It was discussed to keep appropriate number of people in the class during paper presentation so that paper presenter will present the paper with confidence and get more knowledge on topic.
- In order to make the presentation session more valuable, college decided to give more time (at least 15 minutes) to each presenter.
- College decided to have proper event schedule chart for the future national level seminars in details, so that all people will get clear information about the time of the particular event.
