

I SEMESTER

GENERAL PROFICIENCY AND COMMUNICATIVE ENGLISH

Unit	Name of the Lesson/Poem/ Grammar	Learning Objectives	Learning Outcome
Lesson Details			
1.	The Gold Frame Author- R.K. Laxman	This lessons explains about a person named Datta, who is very laconic in nature and how he faces a problem with his customer and how he finds a solution to his problem	Moral: Most of us show our love only through words, this lesson tells us to display our love through action, respect and genuine caring
2.	Stigma, Shame & Silence Author- Kalpana Jain	This lesson explains the problems and the inhuman treatment, an HIV +ve or AIDS patient goes through. How even a doctor has no heart and feelings for Ashok an HIVpatient	Moral: To treat HIV +ve& AIDS as normal disease and also to behave sympathetically towards an AIDS patient because all they need is our love
3.	A different kind of learning Author- Jade Snow Wong	Here the Author Wong explains about her personal experience in regard to Chinese and American Education System and how she overcomes her problem in the American Education System	Moral: When in doubt it is better to have some courage and clear the doubt. Only change is permanent, thus we have to adopt ourselves to changes and grow our mind.
4.	The best Investment I ever made Author- A.J. Cronin	This lesson is also a personal experience of the author, where he has made an investment and even though it has not benefitted him in terms of money it has given him rich dividends in terms of love, kindness and blessings.	Moral: Showing kindness always leads to betterment of the other person. Sometimes what is important is not money and status but what we do with that money and status. The question to ponder here is whether I am helping someone lead a better life
5.	On the rule of the road Author- A. G. Gardiner	This lesson has given a lot of anecdotes which simply explain us why social liberty is more important than individual liberty. Sometimes it is important to compromise so that both me and my neighbour can live peacefully and happily	Moral: Social liberty is more important than individual liberty because we have no right to disturb others liberty
Poem Details			

6.	The Felling of the Banyan Tree Poet- DilipChitre	This poem explain how an ruthless person is going on cutting trees without mercy and without even caring for his elders words and how he transfers himself and his family to the city where the only tree is in their dreams	Moral: We should not unnecessarily cut trees and even if we cut trees for our need then we should make sure we plant ten other saplings , so as to not to imbalance the nature
7.	Refugee Blues Poet- W. H. Auden	Hitler's cruelty is on display here. How he kills millions of Jews and how the German Jews have no food, shelter, proper clothing, no country etc. How humans are treated worse than animals. There 10,000 soldiers who are on the look for a German Jew couple, with the order to shoot them on sight	Moral: Humanity is the biggest religion in the world. Never treat anyone badly because of their religion or race. Everyone is created equal by God
8.	The tables turned Poet- William Wordsworth	A special poem wherein the author says to quit the books and learn the same knowledge from the Nature because Nature has more wisdom than any book and can teach us moral values better than any sages.	Moral: We should observe our nature more carefully and gain the wisdom from nature.
9.	Sonnet 29 Poet- William Shakespeare	A poem which tells us love is more valuable than any material things in the world. A poem where the depressed and sad poet suddenly becomes happy because he feels he is very rich because of his beloved and does even want to change places with the kings because the love of his beloved is equal to the position of a king	Moral: Love has more value than material things. When we are armed with love no negative emotion can touch us
10.	The Listeners Poet- Walter De La Mare	This Poem creates an Aura of mystery. A poem which talks about supernatural things and about phantoms. how a traveller goes to a place where every possible unnatural thing can be seen and felt where there are phantoms who are inside the house but are not responding to the travellers queries or words but are silently listening to him	Moral: The poet just tries to give a small hint that there are supernatural things in this world or simply that humans and living things are not the only beings who can listen.

Grammar Details			
	Verbs and tenses	Verbs come in three tenses: past, present, and future. The past is used to describe things that have already happened. The present tense is used to describe things that are happening right now, or things that are continuous. The future tense describes things that have yet to happen.	Learn the exact way to use the different verbs and tenses.
	Articles	An article is a word used to modify a noun, which is a person, place, object, or idea. (a, an, the)	Learn to use the different articles in the right way.
	Prepositions	A word governing, and usually preceding, a noun or pronoun and expressing a relation to another word or element in the clause.	Learn to write the right preposition in the sentences.
	Clauses	A group of words containing a subject and predicate and functioning as a member of a complex or compound sentence.	Learn the different kinds of clauses and how and where to use these clauses.
Vocabulary Details			
	Synonyms	These are words that have same or similar meaning.	To understand and study the meanings of different words.
	Antonyms	Words that have opposite meanings.	To understand and study the opposites of different words.
	Homonyms	Words that are pronounced the same and spelled the same but have different meanings.	Understand the difference between the words and where these words are used.
	One word substitute	Process of using one or a single word for a phrase.	Better understanding of phrases.
	Word transformation	The process of changing a particular word according to the sentences.	Able to change the words according to the sentences.

ಕನ್ನಡ

ಅಧ್ಯಾಯ	ವಿಷಯ	ಕಲಿಕಾ ಉದ್ದೇಶ	ಉಪಯೋಗ
೧.	ವಚನಗಳು:ಬಸವಣ್ಣ	೧೨ನೇ ಶತಮಾನದಲ್ಲಿ	ಬಸವಣ್ಣನವರ ಬಗ್ಗೆ

		ವಚನಗಳ ಬಗ್ಗೆ	ಅರ್ಥೈಸಿಕೊಳ್ಳಲು
೨.	ಚಂದ್ರಹಾಸನ ಪ್ರಸಂಗ	ಕವಿ ಲಕ್ಷೀಶರ ಬಗ್ಗೆ ತಿಳಿಯಲು	ಕವಿ ಲಕ್ಷೀಶರ ಬಗ್ಗೆ ತಿಳಿಯಲು
೩.	ನೋಂಬು	ಫಕೀರ್ ಮಹಮ್ಮದ್: ಮುಸಲ್ಮಾನ ಉಪವಾಸದ ಬಗ್ಗೆ ತಿಳಿಯಲು	ಧಾರ್ಮಿಕ ಆಚರಣೆಗಳ ಬಗ್ಗೆ ಅರಿತುಕೊಳ್ಳುವುದು
೪.	ಒಂದು ಒಸಗೆ ಒಯ್ಯುವುದು	ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಒಸಗೆಯ ಬಗ್ಗೆ ತಿಳಿಯಲು	ಒಸಗೆಯ ಉದ್ದೇಶ ಅರಿಯಲು
೫.	ಪ್ರತೀಕಾರ	ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಪ್ರತೀಕರದ ಬಗ್ಗೆ ತಿಳಿಸಲು	ಒಳ್ಳೆಯ ಭವನೆ ಮೂಡಿಸಲು
೬.	ಕಾವೇರಿ ಸ್ನಾನ	ಹೊಸಗನ್ನಡ ಕವಿಗಳಾದ ಕೆ.ಎಸ್.ನರಸಿಂಹ	ಕೆ.ಎಸ್.ನರಸಿಂಹಸ್ವಾಮಿಯ ಬಗ್ಗೆ ತಿಳಿಯಲು
೭.	ಕೃಷ್ಣ ಶಕ್ತಿ	ಬಗ್ಗೆ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ತಿಳಿಯಲು	ಕೃಷ್ಣನ ಶಕ್ತಿಯ ಶಕ್ತಿಯ ಬಗ್ಗೆ ತಿಳಿಯಲು
೮.	ಮಾಸ್ತಿ	ಒಬ್ಬ ಮಾಹಾನ್ ವ್ಯಕ್ತಿಯ ಬಗ್ಗೆ ತಿಳಿಯಲು	ನೂರು ವರುಷ ಬದುಕಿದ ಒಬ್ಬ ಮಾಹಾನ್ ವ್ಯಕ್ತಿಯ ಬಗ್ಗೆ ತಿಳಿಯಲು
೯.	ಮೊದಮೊದಲ ಕಲ್ಪನೆಗಳು	ಮೊದಲು ಜೀವನ ಹೇಗಿತ್ತು ಎಂಬುದರ ಬಗ್ಗೆ	ಮೊದಲ ಕಲ್ಪನೆಗಳು ಎಂಬ ಬಗ್ಗೆ ತಿಳಿಯಲು
೧೦.	ಬೆಂಗಳೂರಿನ ಹಾಡು	ಮೊದಲು ಬೆಂಗಳೂರು ಎಂಬ ನಗರ ಹೇಗಿತ್ತು ಎಂಬ ಬಗ್ಗೆ ತಿಳಿಯಲು	ಬೆಂಗಳೂರು ಎಂಬ ನಗರ ಕಟ್ಟಿಸಿದ ಕೇಂಪೇಗೌಡನ ಬಗ್ಗೆ ತಿಳಿಯಲು
೧೧.	ಸೋಲೇ ಇಲ್ಲ	ಗೆಲುವು ಮತ್ತು ಸೋಲು ಎಂಬ ವ್ಯತ್ಯಾಸ ಬಗ್ಗೆ	ಸೋಲೇ ಇಲ್ಲದಿದ್ದರೆ ಜೀವನದಲ್ಲಿ ಏನೆಲ್ಲಾ ಅನುಭವಿಸಬೇಕಾಗುತ್ತದೆ
೧೨.	ಬುಲ್ಡೋಜರ್ ಸಂಸ್ಕೃತಿ ನಾಗೇಶ್ ಹೆಗಡೆ	ಹಸಿರೇ ಉಸಿರು	ಹಸಿರೇ ಉಸಿರು ಎಂಬ ಬಗ್ಗೆ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಅರಿಯಲು
೧೩.	ಮಣಿಗಾರ	ತುಂಬಾಡಿ ರಾಮಯ್ಯ	ಲೇಖಕರ ಬಗ್ಗೆ ತಿಳಿಯಲು
೧೪.	ವ್ಯಾವಹಾರಿಕ ಕನ್ನಡ	ಕ್ರಿಯಾತ್ಮಕ ಕನ್ನಡ ದ ಬಗ್ಗೆ ತಿಳಿಯಲು	ವಿದ್ಯಾರ್ಥಿಗಳು ವ್ಯಾವಹಾರದ ಬಗ್ಗೆ ಅರ್ಥೈಸಿಕೊಳ್ಳಲು
೧೫.	ಸ್ತಿರಾಸ್ಥಿ, ಭೂಮಿ, ಭೂದಾಖಲೆಗಳು	ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಸ್ತಿರಾಸ್ಥಿ, ಭೂಮಿ, ಭೂದಾಖಲೆಗಳ ಬಗ್ಗೆ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ತಿಳಿಯಲು	ಸ್ತಿರಾಸ್ಥಿ, ಭೂಮಿ, ಭೂದಾಖಲೆಗಳ ಬಗ್ಗೆ ತಿಳಿದು ಅರ್ಥೈಸಿಕೊಳ್ಳಲು

GENERAL HINDI

Unit	Topic	Learning Objectives	Learning outcomes
I	लघुकाव्य शम्बूक	<ul style="list-style-type: none"> *जगदीश गुप्त का परिचय करना । *लघुकाव्य का परिचय देना । *रामायण का कुछ महत्वपूर्ण घटनाओं को समझाना । *ऋषी मुनियों के बारे में परिचय देना । *चार वर्ण-भेद समझाना । *लोकनायक का कर्तव्य समझाना । *मानव धर्म और कर्तव्य धर्म के बारे में विस्तार करना । *अंधविश्वास पर भरोसा रखकर नीच जातिवालों पर दबाव हो रही है । 	<ul style="list-style-type: none"> *लेखक परिचय जानते हैं । *सर्ग सम्बन्ध जानकारी मिलती है । *पुरोशोत्तम श्रीराम को जानते हैं । *नारद और वशिष्ठ मुनि के परिचय मिलते हैं । *शूद्र शम्बूक का परिचय मिलता है । *एकता को समझता है । *स्वार्थ और निस्वार्थ भाव समझते हैं । *शम्बूक का कथन जानते हैं ।
II	कहानी १. गैंग्रिन	<ul style="list-style-type: none"> * साहित्य का परिचय देना । * अज्ञेय का परिचय करना । * गैंग्रिन बिमारी का परिचय देना । * शारीरिक और मानसिक बिमारीको समझाना । * विशिष्ट परिस्थिति में जिनेवाली स्त्री की परिचय देना । * विवाह सम्बंधित कहना । 	<ul style="list-style-type: none"> *साहित्य का परिचय जानते हैं । *अज्ञेय का परिचय जानते हैं । *गैंग्रिन बिमारी को समझते हैं । *छात्र शारीरिक और मानसिक बिमारी के बारे में जानते हैं । *स्त्री की निरसता और यांत्रिकता को जानते हैं । *विवाह के दुस्परिणाम जानते हैं ।
	२. हत्या और आत्महत्या के बीच	<ul style="list-style-type: none"> *लेखक परिचय करना । *हत्या और आत्महत्या के बीच शीर्षक का प्रस्तावन करना । *शोभा बुआ की हाल समझाना । *कम पढ़ने से लोग कमझोर बनते हैं । 	<ul style="list-style-type: none"> *लेखक परिचय जानते हैं । *हत्या और आत्महत्या का फ़रक जानते हैं । *लडकियाँ लोग जाग्रत होती हैं । *पढाई की महत्व समझते हैं ।

BUSINESS ECONOMICS

Unit	Topic	Learning objective	Learning outcome
1	Business Economics	<ul style="list-style-type: none"> To understand the concept of Nature of Business Economics. To know the concept of Economic Laws and Principles. To Know the Economic and business Environment To know the Business Objectives. 	<ul style="list-style-type: none"> Were able to understand the Meaning of business economics, Nature and Scope of Business Economics. Were able to know the concept o Economic Laws and Principles. Were able to know the Economic and business Environment. . Understood the Business Objectives.
2	Demand analysis	<ul style="list-style-type: none"> To understand the definition and of demand and law of demand. To study the change in demand and change in quantity demand. To study the law of diminishing marginal Utility. To learn the concept consumer surplus. 	<ul style="list-style-type: none"> Were able to know the meaning of demand and law of demand. Understood the change in demand and change in quantity demand. Studied the concept law of diminishing marginal utility. Were able to know the concept consumer surplus.
3	Elasticity of Demand	<ul style="list-style-type: none"> To learn the concept of Types Elasticity of Demand. To study the factors that determines the Elasticity of Demand. To know the Measurement of price Elasticity of demand. 	<ul style="list-style-type: none"> Learnt the concept of Types of Elasticity of Demand. Were able to study the factors determine the Elasticity of Demand. Knowing the measurement of price elasticity of demand.
4	Supply Analysis	<ul style="list-style-type: none"> To know the meaning and law of supply. To know the Elasticity of supply. To know the factors that determines the Elasticity of supply. To understand the methods of measurement of supply 	<ul style="list-style-type: none"> Understood the meaning and law of supply. Were able to know the types of Elasticity of supply. Were able to know the factors that determine elasticity of supply. Understood the methods of measurement of supply elasticity.

		elasticity.	
5	Cost of production	<ul style="list-style-type: none"> To know the variable and fixed cost To know the of cost output relationship in short run and long run To know the types of laws of returns. 	<ul style="list-style-type: none"> Wee able to know the meaning and types of cost Were able to know the cost output relationship in short run and long run. known the types of laws of returns

FINANCIAL ACCOUNTING- I

Unit	Topic	Learning objectives	Learning outcomes
1.	Accounting Standards (AS)	<ul style="list-style-type: none"> To learn the concepts of Accounting. To know about Accounting Standards and their importance. To Understand about NACAS and NFRA. To study the Need for disclosure of AS1, Accounting concepts and major considerations in selection of Accounting policies. 	<p>Students were able:</p> <ul style="list-style-type: none"> To know the concepts of Accounting and Accounting Standards. Understand the working of NACAS and NFRA. Analyze the need for disclosure, Fundamental Accounting Concepts: Going concern concept, Accrual concept and Consistency concept and major considerations in selection of Accounting policies
2.	Bank Reconciliation Statement	<ul style="list-style-type: none"> To learn about meaning and need of Bank Reconciliation Statement. To know the reasons for differences between cash book balance and pass book balance. To learn to prepare Bank Reconciliation Statement. 	<p>Students were able:</p> <ul style="list-style-type: none"> To Understand the concept of Bank Reconciliation Statement. Analyze the causes for differences between cash book balance and pass book balance. Know to prepare Bank Reconciliation Statement.
3.	Depreciation Accounting – AS-6	<ul style="list-style-type: none"> To understand the meaning and causes for Depreciation. To know the assets which are not covered by AS. To learn the different methods of depreciation i.e. Straight Line Method, Reducing Balance Method, Annuity Method and Sinking Fund Method and solve problems on that. 	<p>Students were able:</p> <ul style="list-style-type: none"> To know the concept of depreciable assets. To learn the different methods of depreciation and solve problems on it.

4.	Rectification of Errors: Account	<ul style="list-style-type: none"> To study the meaning and types of Rectification of errors. To know the methods of rectifying errors. To learn the concept of suspense account. To journalize and rectify the business transactions. 	<p>Students were able:</p> <ul style="list-style-type: none"> To explain the meaning, types and methods of Rectification of errors. To know about suspense account. To Journalize and rectify the business transactions.
5.	Final Accounts of Sole Trading Concerns	<ul style="list-style-type: none"> To know the concept of trading and profit and loss account and balance sheet. To learn to prepare final accounts of sole trading concerns. 	<p>Students were able:</p> <ul style="list-style-type: none"> To explain about trading and profit and loss account and balance sheet. To Prepare final accounts of sole trading concerns.
6.	Final Accounts of Non – Trading Concerns	<ul style="list-style-type: none"> To learn the meaning and different accounts of non trading concerns. To classify the transactions as capital and revenue. To know the differences between Receipts and Payments account and Capital expenditure and Revenue expenditure. To understand the concepts of deferred revenue expenditure. To prepare final accounts of non trading concerns. 	<p>Students were able:</p> <ul style="list-style-type: none"> To understand the concepts of non trading concern, deferred revenue expenditure capital and revenue transactions. <p>Students were able:</p> <ul style="list-style-type: none"> To analyze the differences between Receipts and Payments account and Capital expenditure and Revenue expenditure. To solve problems on preparation of final accounts of non trading concerns.

PRINCIPLES OF MANAGEMENT

Unit	Topic	Learning objectives	Learning outcomes
1	Nature and Functions of management	<ul style="list-style-type: none"> To understand the concept of Management through its Meaning, definition, nature and its functions. To learn the Evolution of Management thoughts under Classical approach and Modern approach. To study the F.W. Taylor's contribution to the field of Management 	<ul style="list-style-type: none"> Understood the concept of Management through its Meaning, definition, nature and its functions. Learnt the Evolution of Management thoughts under Classical approach and Modern approach. Were able to study the F.W. Taylor's contribution to the field

		<p>i.e., Scientific Management and its techniques.</p> <ul style="list-style-type: none"> To study the Henry Fayol's 14 Principles of Management and Advantages. 	<p>of Management i.e., Scientific Management and its techniques.</p> <ul style="list-style-type: none"> Were able to study the Henry Fayol's 14 Principles of Management and Advantages.
2	Planning and Decision making	<ul style="list-style-type: none"> To understand the meaning of Planning, its nature and importance. To learn the steps involved in the Planning process. To know the different types of Plans. To understand the meaning of Decision making and its process. To study the various guidelines to take an effective decision. To learn the concept of Group decision. 	<ul style="list-style-type: none"> Understood the meaning of Planning, its nature and importance. Learnt the steps involved in the Planning process. Understood the concept of Delegation of Authority - its meaning and benefits. Were able to study the difficulties or Barriers in Delegation of authority and guidelines for effective delegation.
4	Staffing	<ul style="list-style-type: none"> To study the concept and importance of Staffing To study the concept of recruitment and selection i.e., sources of recruitment and selection process. To learn the meaning of 	<ul style="list-style-type: none"> Were able to study the concept and importance of Staffing Were able to study the concept of recruitment and selection i.e., sources of recruitment and selection process.

		<p>Training and development, its importance and methods.</p> <ul style="list-style-type: none"> To understand the concept of Performance appraisal - its meaning and objectives. 	<ul style="list-style-type: none"> Were able to learn the meaning of Training and development, its importance and methods. Understood the concept of Performance appraisal - its meaning and objectives.
5	Direction	<ul style="list-style-type: none"> To know the meaning and elements of direction. To know the concept of Controlling - meaning, importance and techniques of Controlling. To analyze the concept of Communication, its process, types, barriers and essentials for effective communication. 	<ul style="list-style-type: none"> Were able to know the meaning and elements of direction. Were able to know the concept of Controlling - meaning, importance and techniques of Controlling. Were able to analyze the concept of Communication, its process, types, barriers and essentials for effective communication.
6	Motivation and Leadership	<ul style="list-style-type: none"> To understand the concept and importance of Motivation. To know the theories of Motivation - Maslow's need hierarchy theory, Herzberg's hygiene theory, McGregor's theory X and Y. To understand the concept of Leadership, its qualities and Styles of Leadership. 	<ul style="list-style-type: none"> Understood the concept and importance of Motivation. Were able to know the theories of Motivation - Maslow's need hierarchy theory, Herzberg's hygiene theory, McGregor's theory X and Y. Were able to understand the concept of Leadership, its qualities and Styles of Leadership.

BUSINESS STATISTICS AND MATHEMATICS – I

Unit	Topic	Learning objectives	Learning outcomes
1	Popular Quantitative Tools used in Business	<ul style="list-style-type: none"> Recall and recognize the Meaning and Importance of averages Define and explain the methods of computing arithmetic mean, median, mode, geometric mean and 	<p>Students were able to:</p> <ul style="list-style-type: none"> Define averages Recognize the five measures of average. Understand methods of computing arithmetic mean , median ,mode, geometric

		<p>harmonic mean</p> <ul style="list-style-type: none"> • Use the averages in their day to day life. • Solve the problems related to averages. 	<p>mean and harmonic mean</p> <ul style="list-style-type: none"> • Apply the averages in their day today activities. • Solve the problems using deviation and step deviation methods.
2	Quantitative Tools for Risk Management	<ul style="list-style-type: none"> • Recall and recognize different quantitative tools for risk management. • Solve the problems of standard deviation, variance, and coefficient of variation. • Identify the reasons for the popularity of variance. • Use standard deviation, variance and coefficient of variation in their day to day life. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • Know the importance of quantitative tools for risk management. • Solve the problems standard deviation. • Use the dispersion in their life. • Understand the meaning of Absolute and Relative Measures of Dispersion of Data. • Solve the problems using deviation and step deviation method.
3	Measurement of Economic Activity	<ul style="list-style-type: none"> • Recall and recognise the meaning and steps of index number. • Use the index number in the measurement of economic activity. • Analyse the characteristics of index number. • Explain the steps involved in the construction of Index number. • Solve the problems related to weighted indices, using Laspeyre's Method, Paasche's Method and Fisher's Method. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • Understand the meaning and definition of Index number. • Analyse the application of Index number and the caution to be exercised while using Index Number. • Solve the problems related to consumer price index. • Use the index number in the measurement of economic activity. • Identify the problems related to Aggregate Expenditure Method and Family Budget Method.

		<ul style="list-style-type: none"> Identify the application of index numbers. 	<ul style="list-style-type: none"> Explain the Steps in the Construction of Consumer Price Index.
4	Evaluation of Business Choices	<ul style="list-style-type: none"> Recall and recognise the Meaning and Types of Matrices. Solve the problems of matrix algebra Explain the steps of solving the simultaneous equations by matrix method. Solve the problems related to Transpose, Minors and Co-factors of a matrix. 	<p>Students were able to:</p> <ul style="list-style-type: none"> Differentiate between the types of matrices. Use the matrix method to solve the problems in business. Explain the steps to calculate the inverse of a matrix. Understand the importance of matrix algebra to find the unknown value in the matrix. Identify the different type of matrices.
5	Evaluation of Business Choice through Determinants	<ul style="list-style-type: none"> Recall and recognise the steps to solve the equations by cramer's rule. Evaluate the determinants. Understand the Meaning of Determinants and its Properties 	<p>Students were able to:</p> <ul style="list-style-type: none"> Understand the Meaning of Determinants and its Properties. Solve the problems related to determinants. Use Cramer's rule to solve the problems in their day to day life. Evaluate the determinants.

GENERAL STUDIES (THE CONSTITUTION OF INDIA)

Sl. NO.	Topic	Learning objectives	Learning outcomes
1	<p>INDIAN CONSTITUTION:</p> <p>Unit 1: Meaning and importance of constitution.</p> <p>Unit 2 : The constituent assembly</p>	<ul style="list-style-type: none"> Recall and recognise the Meaning and Importance of constitution Explain the importance of preamble. 	<p>Students were able to:</p> <ul style="list-style-type: none"> To know the Meaning and importance of constitution. Explain the importance of preamble Know the Meaning of

	<p>Unit 3: The preamble.</p> <p>Unit 4 : salient feature</p>	<ul style="list-style-type: none"> Identify the salient feature of Indian constitution Understand the formation and work of the constituent assembly 	<p>preamble.</p> <ul style="list-style-type: none"> Understand the role of constituent assembly in the formation of Indian constitution.
2	<p>FUNDAMENTAAL RIGHTS AND DIRECTIVE PRINCIPLES.</p> <p>Unit 5: meaning and differences between fundamental rights and directive principles.</p> <p>Unit 6: Fundamental rights.</p> <p>Unit 7: Rights Information Act – meaning, importance and RTI-2005.</p>	<ul style="list-style-type: none"> Recall and recognise the fundamental rights. Know the meaning and differences between fundamental rights and directive principles. Know about Rights Information Act – meaning, importance and RTI-2005. 	<p>Students were able to:</p> <ul style="list-style-type: none"> Differentiate between fundamental rights and directive principles. Meaning of Right to information Act. Know the importance and RTI-2005. Use the fundamental rights in their life.
3	<p>UNION GOVERNMENT:</p> <p>Unit 8: President of India – Election, powers and position.</p> <p>Unit 9: Prime minister and Council of Minister.</p> <p>Unit 10: Parliament – Lok Sabha, Rajyasabha-organisation , and powers.</p>	<ul style="list-style-type: none"> Recall and recognise the election procedure of President of India and prime minister. Know the Election, powers and position of president of India Know the Lok Sabha, Rajyasabha-organisation , and powers. 	<p>Students were able to:</p> <ul style="list-style-type: none"> Understand the meaning and importance of parliament. Analyse the functions of lok sabha and rajyasabha. Know the Election, powers and position of president of Indi
4	<p>STATE GOVERNMENT</p> <p>UNIT 11: The governor.</p> <p>Unit 12: Chief minister and Council of minister.</p> <p>Unit 13: state legislature: Vidhanasabha, vidhanaparishad – organisation and powers.</p>	<ul style="list-style-type: none"> Know the functions of governor. Understand the election procedure of Chief Minister and Council of minister. Differentiate the the powers of Vidhanasabha , vidhanaparishad 	<p>Students were able to:</p> <ul style="list-style-type: none"> Differentiate organisation between Vidhanasabha, vidhanaparishad. Understand the powers of governor. Know about Chief Minister and Council of minister.
5	<p>Federalism in India:</p> <p>Unit 14: Meaning, federal and unitary features.</p>	<ul style="list-style-type: none"> Know the meaning of federal and unitary features. 	<p>Students were able to:</p> <ul style="list-style-type: none"> Know the meaning of Federalism in India

		<ul style="list-style-type: none"> • Differentiate between federal and unitary features. • Find out the features of unitary system. 	<ul style="list-style-type: none"> • To identify the type of system in India. • Know the meaning of federal and unitary features.
6	<p>The judiciary :</p> <p>Unit 15: The supreme court – organisation, judiciary and role.</p> <p>Unit 16: The high court – organisation and role.</p>	<ul style="list-style-type: none"> • Know the meaning of Judiciary. • Recall and recognise the organisation of Supreme Court. • Understand the different role of high court and Supreme Court. • Know the judiciary and role of high court. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • Understand the Meaning of judiciary. • Use the knowledge of organisation and role of the supreme and high court in day to day life. • Know the organisation, judiciary and role of Supreme Court.
7	<p>GOVERNMENT:</p> <p>Unit 18: Rural and urban: Organisation, powers and functions.</p>	<ul style="list-style-type: none"> • Know about government. • Differentiate the powers between rural and urban government. • Find out the functions of rural and urban government. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • Know about government • Use the knowledge about the rural and urban government. • Know the powers and functions of government.

II SEMESTER

GENERAL PROFICIENCY AND COMMUNICATIVE ENGLISH

Unit	Name of the Lesson/Poem/ Grammar	Learning Objectives	Learning Outcome
------	-------------------------------------	---------------------	------------------

Lesson Details			
1.	On Forgetting Author- Robert Lynd	This lesson comment on the mind and forgetfulness of the Human mind. The Author reflects on how we forget things which are essential to us and remember the unwanted things. The simple reason behind this is our lack of interest in doing that particular work	Moral: We should train our minds to remember the essential things as much as possible and we should use the complete portion of our brains.
2.	Good Manners Author- J.C. Hill	As the name itself says this lesson teaches us the important manners. Tells us how to speak and conduct ourselves and should respect ourselves as well as others irrespective of their age.	Moral: We should not Take anything for granted. Everyone should behave very well, respect others and also show kindness to others.
3.	Princess September Author- Somerset Maugham	A fable which tells the story of Princess September who becomes blind in love and breaks the trust of her pet bird and almost loses her in her selfishness and stupidity but regains her presence of mind at the last and saves her bird	Moral: This lesson tells us how we should not be blind in love and should not break the trust of our loved one just by listening to rumours. Love means we should give freedom to the other person to be as they wish
4.	Some hints on Public Speaking Author- James Bryce	This lesson has given us a few essential points to be considered while giving a speech or addressing an audience. These points are already known to everyone but are still not practised thus the author tries to refresh our minds and teach us these old techniques in an unique way	Moral: After this lesson every student should be able to boldly face the audience and make as less errors as possible.
5.	The Selfish Giant Author- Oscar Wilde	A very beautiful story where a Selfish Giant transforms to be a selfless and kind Giant. How he falls in love with small boy who transforms him. Ultimately realising that the small boy was none other than Lord Jesus.	Moral: When we are selfless and kind to others God will always smile upon us. He keeps a special place in the Heaven for his Children
Poem Details			
6.	A Blind Child Poet- W. H. Davies	This poem explains the plight of a small child who is blind and also the pathetic way the poet is trying to be kind to the blind Child and how there is sadness and hope in the eyes of the child's mother	Moral: This poem tells us to be kind to others and be thankful to the almighty God for all the blessings he has given us.
7.	Ode to Autumn Poet- John Keats	This poem draws a beautiful picture of the season Autumn. How every tree is	Moral: Knowledge of the season Autumn and to show us how beautiful the Nature

		filled with fruits and flowers. There is greenery and harvesting everywhere. And how at the end of the season Autumn all the birds, insects and animals are making plans of migration	and Mother Earth can be.
8.	The last of Princes Poet- A. K. Ramanujan	A historic poem which explains about how the Great Mogul Dynasty slowly came to an end because of various reasons and how finally was the state of the descendents of Aurangzeb.	Moral: Take nothing for granted. Anything and Everything will change. Heart and Feelings are more important than money and riches
9.	The Chimney Sweeper Poet- William Blake	A poem which explains the plight of the young boys who were forced to be Chimney Sweepers in London. A father was ruthless enough to sell his young infant son to the Chimney sweepers and how his life turns into disaster. Ultimately after a lot of struggle they realise that there is no gain without pain.	Moral: We should do our duty properly and leave the rest to God. If we are honest and truthfully do our work then God will definitely bless us and solve all our problems
10.	The Mountain and the Squirrel Poet - Ralph Waldo Emerson	In this poem a comparison is made between a tiny squirrel and a huge Mountain. The Mountain is very arrogant that it is very huge and strong and keeps on insulting the squirrel whereas the squirrel firmly denies to be overshadowed by the Mountain and tell him that he cannot crack nuts or go anywhere he wants to go.	Moral: Every person is special and has their own special qualities. Size does not matter what matters is using our talents and gifts which is given to us by God
Grammar Details			
11	Simple, Compound and Complex sentences	Simple- consist of only one clause Compound- Consist of two or more independent clauses Complex- has at least one independent clause	Transformation of the sentences
12	Direct and Indirect Speech	<i>Direct speech</i> is a report of the exact words used by a speaker or writer <i>Indirect speech</i> is a report on what someone else said or	Convert an direct speech to indirect speech

		wrote without using that person's exact words.

III SEMESTER

GENERAL PROFICIENCY AND COMMUNICATIVE ENGLISH

Name of the Novel	The Strange Case of Billy Biswas
Name of the Author	Arun Joshi
Details of the Author	<ul style="list-style-type: none"> • Indian Writer • Birth place- Varnasi, Uttar Pradesh • 1939-1993 • Awarded , ‘ Sahitya Akademi Award’ • His stories explore philosophical dimensions like an individual’s yearning to decipher the meaning of life and the throe of materialistic world
Theme of the story	This novel tells the story of a US returned Indian named Billy Biswas. The narrator is Billy's friend Romesh from college days. Billy gets fed up with the materialistic ways of life. He detests watching everyone around so obsessed with amassing more than they need, yet remaining dissatisfied. He gets married thinking a household life will get him out of this discontent. But he turns more irritable. Being an anthropologist, he often visits the remote tribes in India. During one such visit, he suddenly disappears.
Important Characters	<ul style="list-style-type: none"> • Bimal Biswas – <i>Main Hero</i> • Romesh Sahai- <i>Billy’s Friend</i> • Tuula Lindgren- <i>Billy’s Friend from US</i> • George- <i>African, Billy’s Neighbour</i> • Meena Chatterjee- <i>Billy’s First wife</i> • Situ- <i>Romi’s Wife</i> • Mr. & Mrs. Biswas- <i>Billy’s Parents</i> • Rima- <i>Meena’s cousin</i> • Bilasia- <i>Billy’s true love & second wife</i> • Dunia- <i>the tribe Headman</i>

	<ul style="list-style-type: none"> • Rele- <i>The Superintendent of Police</i>
Some important concepts covered in this novel	<ul style="list-style-type: none"> • The true meaning of friendship and selflessness. Having friends of opposite gender does not mean they are a couple • Anthropology: The study of human societies and cultures and their development • Temporary Insanity: In a criminal prosecution, a defence by the accused that he or she was briefly insane at the time the crime was committed and therefore was incapable of knowing the nature his or her alleged criminal act. • The love of a mother is very clearly portrayed here. • The tribal world has got a new dimension. The tribes are explained in a very innovative way. They have no expectations like us therefore leading them to be happy and contented • Human Sacrifice : Humans are sacrificed to God and Goddess in return for a favour • The Draught: A really sad and pathetic picture of the tribe is presented here as it goes through a phase of draught. There is no food and water, animals and people are dying without food and water and because of the extreme heat. • Love : How Billy sacrifices everything including his parents, wife , child, lifestyle, job, friends, money for the sake of his love Bilasia • Immortality: How even after his death Billy becomes immortal by staying alive in the hearts and minds of not only his family but also the entire tribe. • Magic : This whole novel is revolving around love and magic. Magic in healing, magic in curing, magic in death, magic in life.
Main Theme of the Story	The novel explores man's quest to seek meaning in life, the fickleness of materialism and the rest of the world's behaviour towards such a person.

Grammar			
Sl. No.	Topic	Learning Objectives	Learning Outcome
1.	Correction of Grammatical Errors	Punctuation marks – comma, semi colon, exclamatory mark, full stop, double quotes, hyphen, question mark, apostrophe and Capital letters	Will be able to correct the grammatical error in the sentences and learn the different types of punctuation marks and where to use these marks
2.	Advertisement Copy	An Advertisement copy is the text used in the advertisement	To draw advertisement for any product in an creative and innovative way
3.	Interpretation of the Written Notices	Notices in writing are called as written notices	Will be able to decipher any written notices on the boards or

			the walls and will be able follow these notices
4.	Dialogue Writing	A dialogue is a literary technique in which writers employ two or more characters to be engaged in conversation with each other.	Will e able to communicate better with proper introduction and conclusion
5.	Bibliography	The systematic description of books, their authorship, printing, publication, editions etc	Learn to write the reference in a neat and proper way. Standard reference writing skills are learnt

Identify different dos products 	<p>Students were able to:</p> <ul style="list-style-type: none"> Understand importance of spread sheet Use DOS commands Know the uses of spread sheet Use word in day today life

IV SEMESTER

GENERAL PROFICIENCY AND COMMUNICATIVE ENGLISH

Name of the Novel	The Importance of being Earnest
Name of the Author	Oscar Wilde
Details of the Author	<ul style="list-style-type: none"> Irish Writer Birth place- Dublin 1854-1900 Important Books- Salome, Queensberry Family, Comedies of society, The importance of being Earnest
Theme of the story	<i>A Trivial Comedy for Serious People</i> is a play by Oscar Wilde . First performed on 14 February 1895 at the St James's Theatre in London, it is a farcical comedy in which the protagonists maintain fictitious persona to escape burdensome social obligations. Working within the social conventions of late Victorian London, the play's major themes are the triviality with which it treats institutions as serious as marriage, and the resulting satire of Victorian ways . Contemporary reviews all praised the play's humour, though some were cautious about its explicit lack of social messages, while others foresaw the modern consensus that it was the culmination of Wilde's artistic career so far
Important Characters	<ul style="list-style-type: none"> John (Earnest/Jack) Worthing Algernon Moncrieff Gwendolen Fairfax Cecily Cardew

	<ul style="list-style-type: none"> • Lady Bracknell • Miss. Prism • Rev. Canon Chasuble • Lane • Merriman
Some important concepts covered in this novel	<ul style="list-style-type: none"> • Bunburying • Satire of society • Triviality • Victorian Society • Value of Marriage • Hypocrisy • Death • Love
Main Theme of the Story	The aristocratic Victorians valued duty and respectability above all else. <i>Earnestness</i> — a determined and serious desire to do the correct thing — was at the top of the code of conduct. Appearance was everything, and style was much more important than substance. So, while a person could lead a secret life, carry on affairs within marriage or have children outside of wedlock, society would look the other way as long as the appearance of propriety was maintained. For this reason, Wilde questions whether the more important or serious issues of the day are overlooked in favor of trivial concerns about appearance

Grammar		
Topic	Learning Objectives	Learning Outcome
Report Writing	A report is an account of something that is seen , observed or done	Students were able : To draft an report in the right manner with the correct content and specified format
Essay Writing	An <i>essay</i> is a piece of <i>writing</i> , usually from an author's personal point of view. <i>Essays</i> are non-fictional but often subjective; while expository, they can also include narrative	Students were able : To write an structured Essay in any given topic .Students will learn to write in a creative and elaborative way
Job Application	A letter or form containing details of your qualifications, skills, experience, etc. that you send to an organization when you are applying for a job with them.	Students were able : To draft an job application
Curriculum Vitae	A brief account of a person's education, qualifications, and	Students were able : To draft a CV with all the required details and information in the prescribed manner.

	previous occupations, typically sent with a job application.

FINANCIAL ACCOUNTING - V

Unit	Topics	Learning Objectives	Learning Outcome
1	Company Accounts: Redemption of preference shares	<ul style="list-style-type: none"> • Meaning of Preference shares, Different types of preference shares. • Redemption of preference shares and legal provisions • Use of revenue profits and creation of capital redemption reserve • Bonus issue of shares • Treatment of calls in arrears and untraceable shareholders. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • To know when and how preference shares can be reduced. • To know how to provide funds for redemption. • To know accounting treatment for redemption • To know how to create capital redemption reserve A/c
2	Company Accounts: Redemption of Debentures (Sinking fund method only)	<ul style="list-style-type: none"> • Meaning of debentures, redemption of debentures. • Different methods of redemption • Meaning of sinking fund method, accounting treatment • Approximation of amount to be appropriated and amount to be invested. • Creation of capital reserve. • Redemption of part of debentures 	<p>Students were able to:</p> <ul style="list-style-type: none"> • To know when and how debentures are redeemed. • To know legal provisions and SEBI guidelines • To know different methods of redemption • How to calculate the amount to be appropriated and how and where to invest. • To know the procedure of realizing part of investment and redemption of part of debentures
3	Final Accounts of Companies: Latest vertical form with relevant Notes	<ul style="list-style-type: none"> • Specimen of final accounts of joint stock Company as per Companies Act • Vertical format of Profit and loss a/c and balance sheet under Part I and Part II • Schedules and notes while preparing final accounts. • Calculation of M.D's remuneration. 	<p>Students were able to:</p> <ul style="list-style-type: none"> • To know how to prepare final accounts of joint stock company under vertical method • Importance of preparing schedules and notes regarding final accounts of joint stock companies • Acquire knowledge about part I and part II • Knowledge about each and every item of P&L

		<ul style="list-style-type: none"> Calculation of provision for taxation and treatment of interim dividend. 	A/c and Balance sheet.
4	Valuation of Shares	<ul style="list-style-type: none"> Meaning of valuation of shares. Need and importance Purpose of valuation of shares Different methods of valuation Net asset method Yield method Fair value method 	<p>Students were able to:</p> <ul style="list-style-type: none"> Know the purpose of valuation of shares To know how the shares are to be valued To know parties involved in valuation of shares To know appropriate method of valuation of shares.
5	Valuation of Goodwill	<ul style="list-style-type: none"> Meaning and features of goodwill Types of goodwill, factors considering goodwill different methods of valuation of goodwill Average profits method, super profits method, capitalization method.. 	<p>Students were able to:</p> <ul style="list-style-type: none"> To know what is goodwill Importance of goodwill in any business Need for valuation To use appropriate method for valuation of goodwill.
6	Holding Company Accounts: Problems with single subsidiary only.	<ul style="list-style-type: none"> Meaning of holding company and subsidiary company Meaning of pre-acquisition and post acquisition profit and reserves. Cost of control and Minority interest Adjustment of intercompany debts 	<p>Students were able to:</p> <ul style="list-style-type: none"> To know what is holding company and its subsidiary company and what are the rights of holding company. To know the rights of minority company and to calculate the minority interest To prepare consolidated balance sheet after adjusting mutual debt and unrealized profit.

COST AND MANAGEMENT ACCOUNTING -III

Unit	Topic	Learning Objectives	Learning Outcomes:
1.	Job and Batch Costing	<ul style="list-style-type: none"> To understand the meaning, features and procedures of job costing. To understand the meaning and components of batch costing. To prepare job cost sheet. To solve problems on 	<p>Students were able to :</p> <ul style="list-style-type: none"> Know the concepts of job and batch costing. Solve problems on Job and Batch costing.

		Batch costing.	
2.	Contract Costing	<ul style="list-style-type: none"> To know the meaning and features of contract costing. To analyse the different concepts such as cost plus contract, escalation clause, de escalation clause, work certified, work uncertified, retention money etc. To calculate the profit on contract. 	<p>Students were able to :</p> <ul style="list-style-type: none"> Analyse the meaning and features of contract costing. Differentiate between job and contract costing. Analyse the different concepts such as cost plus contract, escalation clause, de escalation clause, work certified, work uncertified, retention money etc. Prepare contract account. Calculate profit on complete contracts, in complete contracts and almost complete contracts.
3.	Process Costing	<ul style="list-style-type: none"> To know the meaning, nature, merits and demerits of process costing. To understand the treatment of Normal loss, abnormal loss, Normal gain and Abnormal gain. To prepare process account. To know the concept of Inter process profit. 	<p>Students were able to :</p> <ul style="list-style-type: none"> Explain the concept of Process costing. Know how to calculate the value of Normal loss, Abnormal loss, Normal gain and Abnormal gain. Solve problems on process costing. Understand the concept of transfer of output at profit.
4.	Joint Products And By Products	<ul style="list-style-type: none"> To know the concept of joint product, by product and co product. To understand the different methods of apportionment of joint costs among joint products. 	<p>Students were able to :</p> <ul style="list-style-type: none"> Analyse the meaning of joint product, by product and co product. Explain the different methods of joint costs. Calculation of apportionment of joint cost among joint products under different methods.

5.	Accounting For By Products	<ul style="list-style-type: none"> To learn the meaning of By product. To understand different Cost and Non cost methods of accounting for By products. 	<p>Able to</p> <ul style="list-style-type: none"> Know the meaning and methods of Byproducts. Calculation of allocation of Joint costs of By products.
6.	Operating Costing	<ul style="list-style-type: none"> To know the meaning and features of operating and transport costing. To learn the calculation of total passenger kilometer and total tonnekilometre. To prepare operating cost sheet of transport companies. 	<p>Students were able to :</p> <ul style="list-style-type: none"> Understand the concept of operating and transport costing. Know to calculate the total passenger kilometer and total tonnekilometre. Prepare operating cost sheet of transport companies.

BUSINESS TAXATION – III

Unit	Topic	Learning Objectives	Learning Outcomes
1.	Deduction U/S 80	<ul style="list-style-type: none"> To learn deductions available to individuals, HUFs, companies etc. To Study the provisions under these sections to assesses To learn the amount deduction applicable under these sections to assesses To Learn exemptions, Set-off of losses, carry forward and set off of losses intra-head and inter-heads of income 	<p>Students were able to know the:</p> <ul style="list-style-type: none"> Deductions those are applicable to individuals, HUFs, companies etc. Provisions under these sections to assess. FINANCIAL ACCOUNTING -VI

Unit	Topic	Learning Objectives	Learning Outcome
1	Amalgamation – Absorption and Amalgamation	<ul style="list-style-type: none"> Meaning of Amalgamation, Treatment of AS-14 Amalgamation in the nature of purchase Amalgamation in the nature of merger Accounting treatment in the books of selling Company Accounting treatment in the books of Purchasing Company Effect and settlement of equity and preference share holders 	<p>Students were able to :</p> <ul style="list-style-type: none"> To know the treatment of AS-14 at the time of Amalgamation To know how to find whether Amalgamation in the nature of purchase or in the nature of merger. To know conditions effecting amalgamation To know settlement of equity and preference shareholders. To know accounting treatment in the books of selling and purchasing company.
2	Amalgamation – external reconstruction	<ul style="list-style-type: none"> Meaning of Amalgamation Implementation of AS-14 Purchase consideration at different circumstances Meaning of external reconstruction Accounting treatment for external reconstruction, Journal Entries in the books of New company 	<p>Students were able to:</p> <ul style="list-style-type: none"> To know what is amalgamation and effect of accounting standard 14 To know what is purchase consideration and calculation of purchase consideration at different circumstances To know procedure to be followed at the time of external

			reconstruction <ul style="list-style-type: none"> To know accounting treatment in the books of purchasing company
4	Ratio Analysis	<ul style="list-style-type: none"> Meaning, need of ratio analysis Advantages and disadvantages Classification of ratios Calculation of Ratios How to use different ratios to find profitability and financial position Importance of ratios 	Students were able to: <ul style="list-style-type: none"> To know the need to calculate different ratios. Usefulness of ratios in business How to calculate different ratios and purpose of calculating it. How to apply different ratios to find profitability and financial position.
5	Internal reconstruction – Alteration of share capital	<ul style="list-style-type: none"> different types of alteration of share capital meaning of internal reconstruction adjustment to be made at the time of internal reconstruction reduction of paid up capital utilization of capital profit 	Students were able to: <ul style="list-style-type: none"> to know how share capital can be altered and capital reduction to know how company can be internally reconstructed to know the v effect on equity and preference shareholders, debentureholders and creditors to draft constructed balance sheet after writing off fictitious assets and overvaluation of assets.
6	Final Accounts of Banking Companies	<ul style="list-style-type: none"> Specimen of Part B schedule III format of P&L a/c. Part A Schedule III format of balance sheet Meaning of NPA, NBA and rebate on bills discounted 16 schedules regarding P&L A/c and Balance Sheet regarding bank final accounts. 	Students were able to: <ul style="list-style-type: none"> Know the vertical format of preparing P&L A/c and balance sheet of banks. To know how to prepare various schedules regarding bank final account. To know the meaning of NBA, NPA. To calculate rebate on bills discounted.

COST AND MANAGEMENT ACCOUNTING -IV

Sl. No	Topic	Learning Objectives	Learning Outcomes
1.	Fund Flow Analysis	<ul style="list-style-type: none"> To know the concept of fund, flow offund and fund flowstatement. To differentiate between fund flow statement and profit and loss account. To understand themerits and demerits of fund flow statement. To analyse the transactions as flow of fund or not. To identify the sources or uses of fund. To findout whether increase or decrease in working capital. To prepare Adjusted profit and loss account and Fund flow statement. 	<p>Students were able to</p> <ul style="list-style-type: none"> Understand the concept of fund, flow offund and fund flowstatement, and profit and loss account. Know the advantages and limitations offund flow statement. Journalise the transactions and identify the source or uses of fund. Prepare the schedule of changes in working capital, Adjusted profit and loss account and Fund flow statement.
2.	Cash Flow Analysis As Per As-3 (R3)	<ul style="list-style-type: none"> To understand the concept of cash, cash equivalents, and cash flows. To classify the cash flows asoperating, investing and financial activities. To differentiate between cash flow statementand fund flow statement. To learn the advantages and limitations of cashflow statement. To prepare cash flow statements as per AS-3 	<p>Students were able to</p> <ul style="list-style-type: none"> Learn the various concepts of Cash. Identify transactions as operating, investing and financing activities. Know the advantages and limitations of cashflow statement. Solve problems on preparation of cash flow statement.
3.	Marginal Costing	<ul style="list-style-type: none"> To know theconcept of marginal costing, contribution, profit volume ratio, break even point and margin of safety. To understand the advantagesand limitations of marginal costing and absorptioncosting. 	<p>Students were able to</p> <ul style="list-style-type: none"> Understand the meaning and solve problems on P/Vratio, Break even point, Contribution, Fixed cost, Variable cost, Profit, Sales, Margin of safety and Desired sales.

		<ul style="list-style-type: none"> • To distinguish between absorption costing and marginal costing. • To construct BEP chart. • To find out P/V ratio, Break even point, Contribution, Fixed cost, Variable cost, Profit, Sales, Margin of safety and Desired sales. 	<ul style="list-style-type: none"> • Know the advantages and limitations of marginal costing and absorption costing. • Differentiate between absorption costing and marginal costing. • Construct BEP chart.
4.	Budgetary Control	<ul style="list-style-type: none"> • To analyse the meaning of Budget and Budgetary control. • To learn the features, objectives, advantages and limitations of Budgetary control. • To find the steps involved in preparation of budget. • To understand various types of budget and solve problems on it. 	<p>Students were able to</p> <ul style="list-style-type: none"> • Understand the meaning, features, objectives, advantages and limitations of budgetary control. • Know the procedure of budget preparation. • Know the various types of budget and solve problems on it.
5.	Standard Costing	<ul style="list-style-type: none"> • To understand the meaning, features, elements, objectives, merits and demerits of standard costing. • To analyse the differences between standard costing and Budgetary control. • To learn the steps involved in standard costing. 	<p>Students were able to</p> <ul style="list-style-type: none"> • Know the concepts of standard costing like meaning, features, elements, objectives, merits and demerits. • Differentiate the standard costing and Budgetary control. • Know the steps involved in standard costing.
6.	Variance Analysis	<ul style="list-style-type: none"> • To learn the meaning and advantages of variance analysis. • To analyse the various classification of material cost variances and solve problems on it. • To understand the various classification of material cost variances and solve problems on it. 	<p>Students were able to</p> <ul style="list-style-type: none"> • Know the concept of variance analyses. • Understand various types of material cost variances and find the amount of various kinds of material cost variances. • Understand various types of labour cost variances and find

			the amount of various kinds of material cost variances.
